MEMORANDUM

Date: January 1, 2024
To: EAP-Designated Compliance Officer
From: Educational Approval Program
Re: Approval of School Renewal – ACTIVE Status

Renewal of Approval

In accordance with §440.52 Wisconsin Statutes, the Educational Approval Program (EAP) certifies that your school has been approved and is legally authorized to do business in the state of Wisconsin as a private postsecondary school, subject to the provisions of §440.52 Wisconsin Statutes, and all administrative rules adopted pursuant to the statutes.

Approval is granted annually by the EAP for no more than one year. The approval will expire December 31, 2024. This approval is only for school renewal and does not include other pending applications, such as changes in programs or locations.

Enclosed is your school's new certificate(s) of approval. Schools with multiple branch campuses (instructional sites with an administrative presence) receive a separate certificate for each one.

Schools are reminded that they are required to contact their assigned EAP school administration consultant before making any program changes, offering a new program, or adding a new teaching location.
